HARRY SWEET

In

"HORSE SENSE"

Story and Direction by
FRED HIBBARD

Oscar, Harry's trained horse calls his master - in fact pushes him - from a sound sleep, and with a great deal of trouble Harry soon has his horse ready for his daily visit to his sweetheart, who happens to live just across the street. But Harry doesn't mind such a thing. Mary is worth all this trouble.

But, Mary's father doesn't want "dumb-bell Harry" calling on his daughter, and so he takes her away. He puts her aboard a ship bound for a foreign port - but Harry can't be kept down. So before the ship leaves Harry is a passenger.

The Captain and first mate chase Harry all over the boat, but he is just like a fly. First he is here, then he is there - and when the ship arrives at its destination Harry takes his girl and through an ingenious method gets rid of his chasers.
